DINESH KUMAR S

B.Tech Information Technology graduate with hands-on experience in Java, Python, Django, and full-stack web development. Completed the Infosys Springboard internship, building web applications with a focus on backend logic, database design, and clean, maintainable code. Strong foundation in coding standards, unit testing, and problem-solving, with a genuine interest in learning new languages and tools. Looking to grow as a Software Application Development Apprentice, contributing to real-world projects while building professional software development skills on the job.

EDUCATION

2023-2027	B.Tech in Information Technology, V.S.B Engineering College, Karur
March 2023	Class (XII), AUPET Chinmaya Vidyalaya MHS School, Tirunelveli.
March 2021	Class (X), AUPET Chinmaya Vidyalaya MHS School, Tirunelveli.

INTERNSHIP EXPERIENCE

- **Infosys Springboard 5.0 Internship** – Developed a Budget Tracker web application using Python and Django, allowing users to add income and expense transactions, organize them by category, and view a summary dashboard showing total income, total expenses, and current balance. Built using Django, SQLite, HTML, and CSS.

PROJECT EXPERIENCE

- **Budget Tracker** – A Django-based web application to track personal income and expenses. Users can add transactions, organize them by category, and view total income, total expenses, and current balance on a dashboard. Built using Python, Django, SQLite, HTML, and CSS.
- **Portfolio Website** – Designed and built a personal portfolio site showcasing projects, technical skills, and experience across Python, Django, and full-stack web development.
- **Python GUI Projects** – Built a desktop To-Do List application and a Text-to-Speech converter using Python and Tkinter, featuring task management with JSON auto-saving and adjustable voice/speed controls.

SKILLS

Languages	Python, Java, HTML, CSS, JavaScript, MySQL
Frameworks & Tools	Django, Git/GitHub, Microsoft Office, Google Workspace, Claude, Kiro, Antigravity, Gemini.
Soft Skills	Teamwork, Problem-Solving, Debugging, Self-Learning, Goal Orientation

CERTIFICATIONS & TRAININGS

- Certification in Java from NPTEL — Elite + Silver badge.
- Certification in Java from Infosys Springboard.
- Certification in Python (Basic) from HackerRank.
- Certification in Python from Infosys Springboard.
